Annual Parent/Teacher Asbestos Notification

To: Parents and Staff of St. Mary Catholic School

From: Mr. Don Lipinski, Principal

Date: September 8, 2009

St. Mary Catholic School has had an Asbestos Management Plan prepared in compliance with the USEPA Asbestos Hazard Emergency Response Act (AHERA). This plan and subsequent updates are available for inspection Monday through Friday during normal school hours in the Main School Office.

In March 2009, a Periodic Surveillance review, required by the AHERA regulation, was conducted by qualified personnel to re-evaluate the condition of asbestos containing materials at the facility.

The Surveillance review also evaluated Operations and Maintenance procedures that will keep asbestos materials in good condition.

If you have any questions, please contact the maintenance department at the school.

Thank you,

Mr. Don Lipinski
Principal
