

SCHOOL DIRECTORY

2011-2012

Welcome to a new school year. It is time to update our School Directory. Please read and follow the directions. We need the information by September 16th.

The only way to be included in this directory is to return this form. The form has to be completed each year. Without the form I can not include your information in the directory, even if your information was in last year's directory.

If you have any questions, please contact the school office or Dawn Sebastian at 734-722-9920, tnd.sebastian@comcast.net.
